

OFFICE OF THE SECRETARY OF DEFENSE
WASHINGTON, D. C. 20301

12 OCT 1976

Mr. Richard Lehman
Deputy to DCI for National Intelligence
CIA Headquarters, Room 7E 62
Washington, DC 20505

Dear Mr. Lehman:

By 15 October we should be well along on the NSSM 244 final report. Accordingly, it would be useful to get together and review the results of the Working Group's effort. This informal "Intermediate Review" thus can help ensure that the product will be what it should be when addressed by our seniors.

I would appreciate it if you could participate personally in this review, to be held in Room 3E 333, The Pentagon, on 15 October at 1000. The Chairman and Subgroup Leaders of the Interagency Ad Hoc Working Group will brief us. Your participating staff members will have had the opportunity to discuss the third draft product and the study issues with you prior to the meeting.

To ensure active discussion, we will hold the meeting attendance to invitees only. A list is attached, for your information.

Sincerely,

A handwritten signature in black ink, reading "Jim Wade", is written over a printed name.

JAMES P. WADE, JR.
Deputy Assistant Secretary
